

**5th FAI SENIOR and JUNIOR  
WORLD AEROMODELING CHAMPIONSHIPS  
for RC gliders class F3J  
MARTIN 2006**

**BULLETIN No 1**

## **BULLETIN No. 1**

**ORGANISER:** SLOVAK NATIONAL AEROCLUB OF GENERAL M.R.ŠTEFÁNIK  
MODEL UNION OF SLOVAKIA  
RC MODEL CLUB MARTIN

**DATE OF CONTEST:**

30th July – 6th August 2006

**PLACE OF CONTEST:**

Martin is situated in the Žilina region in the northern part of Turiec Valley (Turčianska kotlina) in the catchments area of the Turiec River. The whole territory spreads over hills, valleys and east slopes of Small Fatra (Malá Fatra). Turiec territory is the crossing of road and railway communications which connect East with West and North with South of the Slovak country.

In Tomčany, the suburb of town Martin, there is a sporting airport, which provides scenic flights and taxi plane services as well. Air connection is possible thanks to regular flights from airports at Žilina (25km), Sliač (85km), Poprad (120km), Bratislava (233km) and Košice (240km). Nearest international airports are at Bratislava, Košice and Poprad, nearest foreign airport is Swechat (Austria) about 300km from Martin.

The public roads are also very important for international transport; the main road is I/18 (E75, E50) Bratislava – Žilina – Martin – Poprad – Košice.

**WEATHER CONDITIONS (CLIMATE):**

Thanks to long-term experience of organizing of the World Cup and serial competitions of the Slovakia Championship in F3J cat., we can guarantee to a great extent that the weather at the end of July and beginning of August will be nice, temperature about 25 °C - 35 °C.
